

Kansas Soil Health Alliance, Inc

Diversity, Equity, and Inclusion Statement

Kansas Soil Health Alliance, Inc. will reflect diversity in its organizational governance, volunteer structure, staffing, funding decisions, and policies. Through our commitment to diversity, we will strive to be a role model in our community, joining with other organizations to strengthen an effective outreach that connects with people in our statewide community. Kansas Soil Health Alliance's Diversity, Equity & Inclusion statement reflects its own commitment to diversity in its Board of Directors, volunteer governance and structure, staffing, and purchasing.

We are committed to collaborating and working in partnership with stakeholders from all communities, both internal and external, to support innovative ideas and solutions. We approach our work with a critical lens toward equity and ensuring the outcomes and impact of our work is equitably distributed across our stakeholders. We are committed to ensuring all people can participate and benefit from our work, regardless of their identities.

Kansas Soil Health Alliance's network of agencies embraces both special constituencies and broader community needs. When you support Kansas Soil Health Alliance, your donation will promote improved soil, water, plants, animals, air, and environment in Kansas and surrounding states.
